RE: FOIL Request Village of Theresa
CMBK File No.: 41373.0000

To whom it may concern:

This office serves as attorneys for the Village of Theresa, NY. The Police Department of the Village of Theresa recently received your June 18, 2020 FOIL request. That correspondence was then provided to the Clerk for the Village of Theresa, who then in turn provided the same to me. It appears that your request is voluminous since you seek certain records from the past forty (40) years. At the same time, the Village has reduced its workforce and taken a number of other steps to comply with the Governor's Executive Orders, including EO202.4 in response to the COVID-19 pandemic. Further, your request seems to be based on new legislation.

Pursuant to §89(3) of the Public Officers Law, the Village requests a written certification stating that you will not use the list of names and addresses you have requested for solicitation or fund-raising purposes, and will not sell, give or otherwise make available such lists of names and addresses to any other person for the purpose of allowing that person to use such lists of names and addresses for solicitation or fund-raising purposes. See §89(3) Public Officers Law (LexisNexis 2020).

The Village will begin reviewing its files and hopes to assemble all records that are responsive, and releasable within ninety (90) days from the date of this letter. At that time, we will contact you to discuss the most effective, and economical manner of providing those documents to you.

Thank you for your patience during these difficult times.

Very truly yours,

CONBOY, MCKAY, BACHMAN & KENDALL, LLP
